Our Heartfelt Love and Appreciation
There is no one person who can be solely successful unto themselves -- for a seed abiding alone cannot bear fruit. This event is the evidence of the faithfulness and fruitfulness of many who came alongside giving willingly of themselves in their love of God in excellence, commitment and service. For each of you I sincerely appreciate you and your heart for service:

May the Lord bless each of you and keep you. May the Lord make his face to shine upon you, and be gracious to you. May the Lord lift up his countenance upon you, and give you peace. Numbers 6:24-26.

Welcome

Thank you for choosing to be our guests as we worship and fellowship with the Lord on this appointed day. We all come with a great expectation of His moving within a dimension in our lives we have not experienced before.

The theme “Guardians at the Gate” is based on Ezekiel 40:3-4. We strategically hold this God-ordained prayer breakfast at the end of August each year for many reasons: (1) This is a time of winding down the end of a year according to God’s calendar and the transitioning into a new year. (2) With a new year come shifts, adjustments, alignments and siftings to bring us closer to the manifested purposes of God. (3) It is a time of gathering to receive new instructions and strategies while moving into a time of examining how we finished, repent for the areas where we missed the mark and to get back on track to receive new plans to execute personally and corporately. Greater kingdom focus and alignment must occur for us to receive His plans to recover that which has been stolen from us.

The objective of this event is to strengthen those who are called to war for the kingdom of heaven suffered violence and the violent take it by force. We have been taught that Matthew 11:12 means we are to take the kingdom by force, however as you carefully consider this scripture, why would we have to violently take that which has been given to us freely by covenant? We are however commanded to subdue and to occupy (tend and keep, guard and protect) until the King returns. Each gate is an access point to heavenly and covenant blessings. The enemy is aware of that and has setup ambushments within each gateway to keep us from apprehending the full blessings the Lord desires for each of us to walk in both individually and as a community. We must be more discerning to the strategies of the enemy so we are walking in the fulfillment of our covenant rights as children of God.

Prophetic Declarations

We are to pray and to declare with the authority that has been delegated to us through Christ Jesus. To exercise authority is to govern. By praying with authority we are exercising “governmental intercession.” While politicians and government officials legislate through man-made laws and rulings, we legislate through spiritual laws, principles, and activities. We legislate through the power of prayer and intercession! We each were actually created with a nature to rule, to govern, to exercise authority. Using Webster’s definition of governing, we were created “to direct and control; to maintain the superiority,” not be lorded over by other people, evil forces, or even unfortunate circumstances. When Adam was placed in the Garden of Eden, God’s instruction to him – which remains the same for us today – was to be fruitful, to multiply, to subdue, to replenish, and to have dominion.

These are prophetic declarations that will be prayed and declared over the city of Long Beach. We invite you to take these declarations back to your respective locations and release them over the gates and gateways in your realm of authority. We also encourage you to be in agreement with us during your personal and corporate prayer time for what the Lord desires to see manifested in Southern California over the course of the coming year.

Declarations:
Repentance and Removing the Reproach
Declaring His Might
Healing and Repairing the Breach
Releasing of the Sound
Holiness and Righteousness
About Hesed Ministries

Vision: Demonstrating the covenant mercies of God the Father to thousands while bringing individuals into their kingdom purpose and destiny.

Mission: Converting those who are bound, broken-hearted, imprisoned and impoverished; teaching them to walk in prosperity: spiritually, mentally, physically, socially and financially.

Hesed Ministries International is a para-church ministry organization working outside of but also alongside local community churches and ministries to provide evangelistic, discipleship and social service outreach to individuals and communities, preparing the way for them to receive Christ in their lives while directing them to be placed in a local church where they can continue to grow, to mature and to serve — all to the glory of God. Our organization works with other church organizations, ministries, community-based organizations, businesses and government agencies to form covenant partnerships and a network alliance of organizations with common goals and interests for reaching those who are in need of assistance. Our founder is an ordained minister who performs sacerdotal ceremonies, however while we believe in and practice a daily lifestyle of worship, this organization does not conduct regularly scheduled weekly worship services nor has a membership base like local church assemblies. Our services are conducted on an itinerate basis in conferences, seminars and meetings throughout the world.

Hesed is a Hebrew word which when translated means “loving-kindness” and denotes an attitude arising out of a mutual relationship: whether between relatives, hosts and guests, masters and servants, or those in covenant relationship. It is an act rather than a disposition, with trust as the basis and loyalty as the appropriate attitude. Trust is inherent in the demonstration of love. An element of obligation is therefore fundamental, particularly as God is our ruler and we are His subjects. On the part of a Superior Being, loving-kindness includes grace and is particularly so on God’s part as our Creator. God has freely bound Himself to His people, and the righteous (those who know and walk in their rights by being in relationship with Him) may depend upon His loving-kindness as the righteous themselves show mercy toward others. God’s loving-kindness is His faithful and merciful love which is promised and may thus be expected even if it is perceived but we feel it cannot be claimed. Yet because we ourselves are often unfaithful, this love takes on the form of pardoning grace by God from which salvation will ultimately come. Hesed is an active expression of love rather than an emotion. When used for acts of love, hesed refers especially to divine mercy often with an emphasis on faithfulness, but also with reference to mercy in distinction from God’s wrath. God’s mercy is upon those who love and fear Him in a reverential way. God’s loving-kindness is His gracious action which is revealed, expected, hoped and prayed for; being extended towards us without any merit or works on our part to earn it. Being merciful, God is the Savior and the source of our salvation.

Valerie Rogers is one of the emerging voices of the Kingdom of God in this season. Many biblical examples detail the touching of God as prophetic people were released to bring forth the prophetic utterances of God’s instruction for His people; so too has Valerie been touched by God and suffered many things to be formed and shaped in order to win Christ for the excellency of His specific word to be proclaimed in this hour to those who have an ear to hear and a heart to listen. As author, prophetic psalmist and prolific teacher, her resolve is to impart to those who have an ear to hear what the Spirit of the Lord is saying to His people in this season. Prophets of God are to know seasons and times and the books she published: Prosperity Foundation, God’s Divine Order for Prosperity, Get Rich thru Your Niche, Establishing the Kingdom: Ruling with Character and Kingdom Release for Prosperity are all essential for the Body of Christ’s preparation to maximize what God is requiring of us in the coming years.

Valerie Rogers is currently undergirded apostolically by Shekinah Glory Life Ministries of Brandywine, MD. She received her license to minister in 2002, was ordained as an Elder in the Lord’s Church in 2005, was released into the Office of the Prophet in the same year and was set apart as a Prophetic Presbyter within the Another Touch of Glory Covenant Ministries now known as Bishop R.S. Walker Ministries.

Having experienced firsthand, hardship and adversity, Valerie’s greatest passion is to assist in instituting a proper foundation for individuals with a desire to walk in true Kingdom prosperity. Her expertise and vast knowledge clearly lends her distinction and lines of demarcation in this field. This is coupled with her passion to fervently advance people’s lives by imparting knowledge and understanding to all who hunger to receive revelatory truth that is being proclaimed in this season for advancing the Body of Christ in their Kingdom purpose.

As the Founder and Chief Executive Officer of Hesed Ministries International, a non-profit organization, Valerie not only preaches, teaches and proclaims the gospel of the Kingdom of God, she also oversees the fulfillment of the organization’s purpose to demonstrate the love and kindness of God towards those in need of help emotionally and those who are imprisoned and impoverished; educating them on how to be developed in and to establish foundational truths that will facilitate avenues of prosperity into their lives and communities while in turn will cause them to be an asset to themselves, their families and to society.

She also serves as a business development consultant. Her unswervingly keen insight into sound kingdom principles helps facilitate, develop and build business foundations that will last. Her experience also includes helping non-profit organizations accomplish their business goals. As a prolific teacher, she helps individuals establish businesses in accordance with Kingdom principles, while simultaneously providing a witness and an authentication in the earth that demonstrates how the principles work when applied.

One of her most significant accomplishments is her devotion to her daughter Nikiyia and her grandchildren: Kayla, Antonio and Jaiden.

That you may know His joy!

Purpose for this Event

The purpose of the prayer breakfast is to receive from the Lord the new strategies and tactics that will cause us to be victorious in the upcoming year. It is a time to introduce, teach and demonstrate new principles to sustain us as the land is being recovered. The expectation is that those who attend will learn how to legislate God’s ordinances for themselves and their community.

This event has been shifted to celebrate the time the Lord has appointed to gather his leaders within the Southern California region to lay a foundation for sustaining the newness of life that is emerging. There is a sound, liken unto the sound of the mighty rushing wind of the Spirit that is being released upon those who have been slain to awaken them unto kingdom purpose. God is annually calling His warriors together to come before Him to receive fresh instructions and new strategies to possess the land.

There is significance in first things or first principles. Our first event last year was quite successful in spite of the extreme heat. But that was an indication of our endurance in the heat of adversity. As church leaders and intercessors continue to come together in unity to lay the proper foundation for manifesting God’s kingdom rule here within this region, there should be an expectancy to receive as we come together to carry His glory back to our local communities. We are in awe of God as He continues to expand our borders and territories while establishing His kingdom in this region for His glory and purpose.
